

International *Market Square*

We are a residential and contract upholstery studio with full customization capabilities. With over 10,000 fabric choices from the industry's leading designers, our pieces are made to fit your needs and your life.

We offer our local trade community:

One of the broadest custom upholstery resources available, with hundreds of silhouettes to choose from in every design category.

A straightforward "workroom" environment. All products are covered in white fabric, giving the designer a quick, easy view of aesthetic details.

Design flexibility through special applications and options.

COMs are welcome.

Over 10,000 fabric choices, from the industry's leading fabric suppliers.

Designed, constructed and delivered within 30-days.
